8. Immediately after going into liquidation in 2000, Swojas had been suspended and New Promoters had taken it over in 2014 after duly complying with SEBI Takeover Code, 2011 and also brought it out of liquidation in 2015. However, during the course of Open Offer, the Promoters' stake had gone to 78.99% due to acquisition of shares from the public shareholders which could not be diluted due to regulatory restrictions on suspended companies for issuing new shares to public and also on Promoters to sell / transfer / pledge of shares during the course of suspension. The Company had applied for revocation in 2017 and after doing necessary compliances to the satisfaction of the Stock Exchange, suspension was revoked w.e.f. 22-5-2023. On the same day, the Stock Exchange froze Promoters' accounts for not meeting "Minimum Public Shareholding" criteria of 75%. Thereafter, the executives of Stock Exchange / Regulator were informed about Company's legal inability to issue new shares and also restrictions on sale / transfer of shares by the Promoters during the course of suspension. Thereafter, under their guidance, "Offer for Sale" was successfully undertaken on 3 & 4 August 2023 through the designated platform of BSE after which existing Promoters' stake had come down to 75% and subsequently, accounts were unfrozen. The shares of Company are actively traded as on date.

(Pursuant to section 204(1) of the Companies Act, 2013 and the Rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members
SWOJAS ENERGY FOODS LIMITED
MUMBAI

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SWOJAS ENERGY FOODS LIMITED** (hereinafter called "the Company"). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended March 31, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. I have examined the books, papers, minute books, forms and returns filed and other records maintained by **SWOJAS ENERGY FOODS LIMITED** ("the company") for the financial year ended March 31, 2023 according to the provisions of:
 - i. The Companies Act, 2013 (the Act) and the rules made thereunder;
 - ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
 - iii. The Depositories Act, 1996 and the Regulations and bye-laws framed thereunder;
 - iv. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
2. Provisions of the following Regulations and guidelines prescribed under the Securities and Exchange Board of India Act, 1992 were not applicable to the Company under the financial year 2022-2023:

- a) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SWOJAS ENERGY FOODS LIMITED**1. REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS****Opinion**

We have audited the accompanying standalone Ind AS financial statements of **SWOJAS ENERGY FOODS LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2023, the statement of profit and loss, including Other Comprehensive Income, the Cash Flow Statement and the Statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manners required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31st March, 2023 and its profit (financial performance including the comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises information included in the Annual Report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially

misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the afore said standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations received from the directors as on 31st March, 2023, none of the directors are disqualified as on 31st March, 2023 from being appointed as a director in terms of section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report "Annexure B".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31st March, 2023 on its financial position in its standalone financial statements - Refer Note No. 3 of Notes to Accounts to the standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. Company has not declared and paid any dividend, so there is no question of transferring amounts to the Investor Education and Protection Fund by the Company.

Annexure "A" to the Independent Auditor's Report

The referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2023,

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- I. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) The Company does not have any tangible and Intangible Assets. Therefore, the said clause is not applicable.
- II. According to the information and explanations given to us, the company does not hold any inventories, therefore the said clause is not applicable.
- III. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. The Company has not made any investments in firms, limited liability partnership or any other parties. Accordingly, clause 3(iii)(a) to clause 3(iii)(f) of the Order are not applicable to the Company.
- IV. In our opinion and according to the information and explanations provided to us, the Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 of the Companies Act, 2013. The Company has complied with the provisions of Section 186 of the Act in respect of investments made or loans or guarantee or security provided to the parties covered under Section 186 of the Act.
- V. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- VI. According to the information and explanations given to us, the maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- VII. In respect of statutory dues:
 - a) In our opinion and according to the information and explanations given to us and based on audit procedures performed by us, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

According to the information and explanations given to us and based on audit procedures performed by us, there were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.

VIII. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

IX.

- a) The Company has not defaulted in repayment of loans or borrowings to any financial institution, banks, government or dues to debenture holders during the year.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) The Company has not taken any term loan during the year and there are no unutilized term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.
- d) On an overall examination of the financial statements of the Company, funds raised on short- term basis has, prima facie, not been used during the year for long-term purposes by the Company.
- e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence, the requirement to report on clause 3(ix)(f) of the Order is not applicable to the Company.

X.

- (a) The Company has not raised any money during the year by way of initial public offer /further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares/fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.

- XI. (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and up to the date of this report.
- XII. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- XIII. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- XIV. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- XV. According to the information and explanations given to us and based on our examination of the records, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- XVI. (a) & (b) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) and (b) of the Order is not applicable.
- (c) & (d) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi) and clause 3(xvi) of the Order is not applicable.
- XVII. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- XVIII. There has been no resignation of the statutory auditors of the Company during the year.

- XIX. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- XX. (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act.
- (b) There are no unspent amounts in respect of ongoing projects that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act.
- XXI. There is no qualifications or adverse remarks in the Companies (Auditor's Report) Order (CARO) reports of the companies.

Annexure “B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SWOJAS ENERGY FOODS LIMITED**. (“The Company”) as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial reporting (the “Guidance Note”) and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirement and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting's.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of Internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedure may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal controls over financial reporting were effective as at March 31,2023, based on the internal control over financial reporting criteria established by the Company considering the essentials components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by " the Institute ofChartered Accountants of India".

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS**1. Company Overview**

Swojas Energy Foods Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is listed on BSE, however, its trading was suspended by BSE after commencement of liquidation proceedings. It continued to remain a suspended company during the financial year 2022-23.

2. Significant Accounting Policies:**A. Basis of Preparation****a. Compliance with Ind AS**

The financial statement comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ("the Act") [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provision of the Act.

The financial statement up to year ended 31st March, 2023 were prepared in accordance with the accounting standard notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act.

b. Historical cost convention

The financial statements have been prepared on a historical cost basis.

B. Segment reporting

The Company used to originally sell milk and dairy products, however, its operations stopped completely after the commencement of winding up proceedings after 31st August 2000. Existing Promoters took over the Company in 2014 and got it out of liquidation in 2015, however, there had been complete prohibition on further fund raising during the course of suspension due to General Order No. 1 dated 20-7-2015, issued by Hon'ble Chairman of SEBI. The main object of the company is to carry out agriculture business; however, in the absence of access to adequate funding for doing business, no revenue has been generated from such activities during the year 2022-23, primarily due to prolonged suspension since 2000. However, in order to optimize available resources, the company had provided Short Term Loans and Advances to selective parties as a secondary activity.

C. Foreign currency translation**i) Functional and presentation currency**

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in profit or loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

D. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable.

a) There is no revenue from sale of goods during the year under review. However, revenue from sale of goods is usually recognized when the following conditions are satisfied.

- i. the Company has transferred the significant risks and rewards of ownership of the goods to the buyer which generally coincides when the goods are dispatched in accordance with the terms of sale;
- ii. the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- iii. the amount of revenue can be measured reliably;
- iv. it is probable that the economic benefits associated with the transaction will flow to the Company;
- v. the costs incurred or to be incurred in respect of the transaction can be measured reliably.

b) Revenue from Construction Contracts is recognized based on the stage of completion determined with reference to the costs incurred on contracts and the estimated total costs. When it is estimated that the total contract cost will exceed total contract revenue, expected loss is recognized as an expense immediately. Total contract cost is determined based on the technical and other assessment of cost to be incurred. There were no revenues from construction during the year under review.

c) Service income is recognized, when the related services are provided, however, there is no service income during the year under review.

E. Other Income

1. Dividend income from investments is recognized when the shareholder's right to receive payment has been established.

2. Insurance and other claims are accounted as and when unconditionally admitted by the appropriate authorities.

F. Income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized in outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognized for all taxable temporary differences.

Deferred tax assets including Minimum Alternate Tax (MAT) are generally recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

G. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

H. Inventories

Raw materials and stores, work-in-progress, traded and finished goods are stated at the lower of cost and net realizable value.

Cost of raw materials and traded goods comprise of cost of purchase.

Cost of work-in-progress and manufactured finished goods comprises direct materials, direct labor and an appropriate proportion of variable and fixed overhead expenditure, the later being allocated on the basis of normal operating capacity.

Cost of inventories also includes all other cost incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on weighted average basis. Costs of purchased inventory are determined after deducting rebates and discounts.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

I. Financial Instruments:**(i) Financial assets: Initial recognition and measurement**

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost. All financial assets not recorded at fair value though profit or loss are recognized initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For Purposes of subsequent measurement, financial assets are classified in two broad categories:

- Financial assets at fair value
- Financial assets at amortized cost

Where assets are measured at fair value, gains and losses are either recognized in the statement of profit and loss (i.e. fair value through profit or loss), or recognized in other comprehensive income (i.e. fair value through other comprehensive income).

A financial asset that meets the following two conditions is measured at amortized cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: The objective of the company's business model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realize its fair value changes).
- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial assets.
- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortized cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss as doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an 'accounting mismatch') that would otherwise arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases.

All other financial asset is measured at fair value through profit or loss.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the entity has elected to present value changes in 'other comprehensive income'

If an equity investment is not held for trading, an irrevocable election is made at initial recognition to measure it at fair value through other comprehensive income with only dividend income recognized in the statement of profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the company's statement of financial position) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass through' arrangement and either;
 - (a) The company has transferred substantially all the risks and rewards of the asset, or
 - (b) The company has either transferred substantially all the risks and rewards of the asset, but has transferred control of the asset

When the company has transferred its rights to received cash flow from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of the asset, the company continues to recognize the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, debt instruments at FVTOCI, lease receivables, trade

receivables, other contractual rights to receive cash or other financial assets, and financial guarantees not designated as at FVTPL.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognized in profit or loss and is included in the 'Other income' line item.

(ii) Financial liabilities and equity instruments:

Classification as debt or equity Debt and equity

Debt and equity instruments issued by a company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables and loans and borrowings including bank overdrafts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

Loans and borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

The Company enters into deferred payment arrangements (acceptances) whereby lenders such as banks and other financial institutions make payments to supplier's banks for purchase of raw materials/services. The banks and financial institutions are subsequently repaid by the Company at a later date. These are normally settled up to 3 months. These arrangements for raw materials are recognized as Deferred Payment Liabilities under Borrowings.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Reclassification of Financial Instrument

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent.

The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model.

Original Classification	Revised Classification	Accounting Treatment
Amortized Cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognized in Statement of Profit and Loss.
FVTPL	Amortized Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortized Cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognized in OCI. No change in EIR due to reclassification.
FVTOCI	Amortized Cost	Fair value at reclassification date becomes its new amortized cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortized cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified to Statement of Profit and Loss at the reclassification date.

J. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

K. Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

L. Provisions

Provisions for legal claims and returns are recognized when the company has a present legal or constructive obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provisions due to the passage of time is recognized as interest expense.

M. Earnings per share**i. Basic earnings per share**

Basic earnings per share are calculated by dividing:

- The profit attributable to owners of the company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

ii. Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

I. NOTES TO ACCOUNTS:

1. In the opinion of Directors, the Current Assets, Loans & Advances and Investments have a value on realization in the ordinary course of business, which is at least equal to the amount at which they are stated in the Balance Sheet.

2. Contingent Liabilities:

There are no contingent liabilities.

3. Pending Legal Proceedings**a. Legal Proceedings against BSE Limited and Others**

Despite knowing that Swojas had been under liquidation for almost 15 years from 2000 till 2015, BSE had frozen demat accounts of New Promoters of Swojas on 13/12/2019 towards outstanding ALF dues by issuing a circular on its own though there is no such provision under SEBI Regulations and further, SEBI has never issued any circular to allow BSE for ALF recovery by freezing demat accounts. In response to Swojas' request to provide ALF invoices from FY 2015-16, BSE provided an invoice to seek compensation on 26/12/2019. There have been multiple inconsistencies under tax, corporate and securities laws on the part of BSE and moreover, on checking with SEBI, Promoters came to know that SEBI had never permitted stock exchanges to seek compensation for unpaid listing fees from listed companies. Further, SEBI also confirmed that it did not empower stock exchanges to freeze demat accounts of promoters for non-payment of ALF.

In view of different communication from SEBI, it was apparent that BSE had exceeded its powers by seeking compensation and even freezing accounts, but BSE still refused to take corrective action and hence, Swojas filed a writ petition with Hon'ble Bombay High Court to primarily challenge authority of BSE to issue circulars on its own for freezing accounts of promoters and other issues including pending application of revocation. In the interim period, SEBI understood the non-compliances by BSE and hence, issued a letter containing Standard Operating Process to be followed for freezing accounts besides directing BSE to unfreeze all accounts of all promoter group entities immediately. Hon'ble Bombay High Court took a note of SEBI's SOPs and asked BSE to unfreeze all accounts immediately, however, given other pending issues, Promoters offered to keep deposit of securities worth Rs 14.16 Lakhs. Hon'ble High Court kept all contentions open and passed an order to ask SEBI to examine various issues and pass a Speaking Order within 8 weeks. BSE challenged it with the Hon'ble Supreme Court, but they refused to interfere in the aforesaid order. Thereafter, Swojas had made a payment of Rs 14.16 Lakhs under protest to BSE.

Swojas had submitted a representation to SEBI on 23rd March 2021 on which SEBI issued a letter dated 24th June 2021. Though some of the points were considered by SEBI as an input for inspection, they did not address major issues related to power of issuing circulars by BSE on its own for suo-moto freezing accounts even when there were no such legal provisions in 2019. Further, revocation of suspension had been delayed and no action had been taken by BSE on the application submitted by Swojas more than 5 years ago despite all the compliances. The Company has filed a writ petition against BSE in August 2021 but no hearing took place on the same.

b. Arbitration with M/s Salasar Corporation

Swojas had entered into a memorandum of understanding with M/s Salasar Corporation and also gave an advance to set up a food processing unit at Palghar in 2015 with a timeline to finish the project in 3 years. Due to delay in revocation of suspension for more than 5 years, there were restrictions on issue of new shares as well as transfer of promoters' holding in view of General Order No. 1 issued by Hon'ble Chairman of SEBI on 20-7-2015. Therefore, it was not possible to raise funds for the project and hence, further payment could not be made to Salasar. As per the MOU, interest was duly accounted in the books every year and even tax was deducted till

December 2019. However, Salasar stopped providing for interest and had initiated arbitration proceedings against the company for recovering subsequent instalments payable by Swojas. Swojas had duly represented the case before the Arbitral Tribunal and accordingly, Swojas need not make any further payment to Salasar. However, in view of losses incurred by Salasar Group due to inability of Swojas to make further payment, the Arbitral Tribunal has passed an order allowing Salasar to forfeit the amount as well as interest provided thereon. Swojas had explored alternative options including challenging the arbitral award with the Court of Law, however, in view of Covid19 outbreak the action had got delayed. Simultaneously, an option is being evaluated to amicably settle the matter instead of taking legal recourse.

4. Balance under the head 'Trade Receivables', 'Trade Payables', 'Loan and Advances Receivable and Payable' are shown as per books of accounts subject to confirmation by concerned parties and adjustment if any, on reconciliation thereof. Confirmation letters have been issued to parties for confirmation of balances with the request to confirm or send / comments by the stipulated date failing which the balances as appearing in the letter would be taken as confirmed. Confirmation letters have been received in very few cases; however, no adverse communication has been received from the parties.

5. Segment reporting

The Company used to originally sell milk and dairy products, however, its operations stopped completely after the commencement of winding up proceedings after 31st August 2000. The main object of the company is to carry out agriculture business, however no revenue has been generated from such activities during the year 2022-23. There have been no other reportable segments identified by Chief Operating Decision Maker and hence no segment reporting is presented under IND AS 108.

6. Dis closure as per amendment to clause 32 of the Listing Agreement:

d)	The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the due date during the year) but without adding the interest specified under the Act.		

The information has been given in respect of such vendors to the extent they could be identified as micro and small enterprises on the basis of information available with the company.

9. Financial instruments and risk management Fair values

- The carrying amounts of trade payables, other financial liabilities (current), borrowings (current), trade receivables, cash and cash equivalents, other bank balances and loans are considered to be the same as fair value due to their short term nature.
- The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximation of fair values:

*Fair value of instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximize the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments is observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instruments is included in level 3

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date. In respect of investments as at the transaction date, the Company has assessed the fair value to be the carrying value of the investments as these companies are in their initial years of operations obtaining necessary regulatory approvals to commence their business.

10. The previous year's figures have been regrouped, rearranged and reclassified wherever necessary to conform to the current year's presentation.
